Speaker Slip Cover

Simple slip over design

Our Comment

At Bomber Bags we receive many comments about the attractiveness of our products. Our primary concerns are rugged materials, quality workmanship, functional design and user comfort. Producing a superior product using only the best materials is never inexpensive. Nevertheless, our products are very competitively priced and are excellent values.

Construction

Our Slip Covers are made from UV resistant 600 denier polyester cloth with interwoven PVC laminate fabric that will not fade, is totally waterproof, mildew resistant and easy to clean. This fabric is incredibly durable with high abrasion resistance and tear strength. Polyester has proven to be more UV resistant and fade resistant than nylon. Polyester has PVC laminated into the cloth unlike coated nylon, which have polyurethane coatings that peel off during use and washing. Ribbon tape edges make for increased durability and strength. Ergonomically correct opening on side access built-in speaker handles for easy one-person transportation. 20" x 18" x 50". Capacity 18,000 cubic inches.- 7 lbs. - (Sold in Pairs).

Easy handle access
